                    SALAM
          Hello, I want to check out

                    EMAD
          Sure

Emad grabs Salam's items and checks them out.

                    EMAD
          Is that all?

                    SALAM
          Yea

                    EMAD
          Great! that will be 5$

                    SALAM
          Here You go

Emad presses a few buttons on the machine. (Insert sounds
here)

                    EMAD
          Would you like a receipt?

                    SALAM
          No but can I have a bag ?

                    EMAD
          Sure, but that'll be 20c extra.

                    SALAM
          No problem.

Salam hands him the money.
